

Kumano Kodo Audio Guide

The World Heritage Cultural Landscape of Kumano is a rich and complex sacred site in the southern portion of the Kii peninsula.

This audio guide was designed to decipher this spiritual landscape while walking the Kumano Kodo pilgrimage route.

It is for those interested in delving deeper into the unique mountain culture of the area. Please take your time, relax and enjoy your visit in Japan's spiritual countryside.

Audio files are downloadable free at www.tb-kumano.jp/en.
